

APPENDIX K

Posting Your Story to Your Blog

When you have finished writing your stories, you will need to insert them into your blog as **Post # 3**. If you did not finish your story in class, you need to finish it over the weekend as homework. Your post must be completed by Monday before class starts. Talk to me if you think this will be a problem.

1. Finish your story.
2. Create blog post #3 for your story. It should be titled: *Twitterature: (INSERT THE TITLE OF YOUR BOOK HERE.)* For example: *Twitterature: To Kill a Mockingbird*. You need to make sure your title is *italicized*.
3. Before your story, write an introduction to tell why you chose the story that you did and what this assignment is about. Be sure to mention the original book *Twitterature* by Alexander Aciman and Emmett Rensin.
4. Post your story under your introduction. Talk to me if you need help.

Tweet #3

1. Log into your Tweetdeck or Twitter account.
2. Tweet your favorite Tweet that you had written for your story.
